SABIRA BRKIC IREIZ

EXPERIENCE

2022 ▸ **Design BILD-IT**
Starting new project which defined flaws in fundamentals of graphic design theory, usage of Adobe softwares and creating practice projects.

Book illustrations
"Bijela majka"-(White mother), "Zeleni otkosi"-(Green swaths)

2021 **Nakši Art**
Designing mosques interiors and painting murals. (@naksiart)

2021 **Designing products for educational shows**
("U ritmu inspiracije", "Open Air Film Festival")

Organizing TSI and giving lectures on graphic design (Tuzla Summer Institute)
-sponsored by Cornell University. There we shared knowledge with youth during graphic design workshops.

Teaching Adobe software HSN Graphic Design Training
-HSN(High school ninjas) is a project of BILD (Bosnia Initiatives for Local Development), a registered non-profit organisation helping citizens of Bosnia and Herzegovina.

2020 ▸ **Head Designer at Tuzla Youth Association CasCader production**
-A group of people filming problems in our reality. My role as a designer is to communicate their ideas and goals to the rest of the world by designing movie posters, logos, banners, website mock-ups, products, costumes and many more.
(www.cascader.ba)

2019 ▸ **Logo design**
(local, 99designs, Upwork, Designhill, etc.)

2018 **Ilustrations**
- for language learning books.

2014 ▸ **Paintings (acrylic, murals, oil, abstract, traditional)**
- participating in art colonies in Tešanj where I had a chance to paint with academic painters all over the Balkan and learn new techniques.
-Custom painting.

Highly-talented, self-driven and hard-working artist with 5 years of experience in building creative solutions as a graphic designer. I am truly dedicated to applying design and human psychology principles, while using cutting-edge technology, to deliver the product which meets proposed requirements.

With experience in teaching graphic design, I have strongly developed personal, organizational and communication skills, because of which the design process is no longer just a necessity, but delight. Exceptional innovation character, accuracy and attention to detail makes the "at first glance impossible challenges" easily solvable.
